LOOKING TO THE FUTURE

NEW MANAGEMENT PLANNING IMPROVE MENTS AT LAUREL FOR NEXT SEASON.

Patronage of Meeting Has Been of Record-Breaking Proportions in Spite of Adverse Weather-Fred mulholland's Career at an End.

Baltimore, Md., October 20.—Matt J. Winn and his associates of the Maryland State Fair have had more than their share of inclement weather for the present racing season at Laurel Park. In the face of this most serious handieap to out-of-door sport, the patronage has been greater than ever before in the history of the course, Already plans have been laid for next year that will greatly facilitate the handing of the crowds. The association has recently added considerably to its holdings and as soon as the present meeting is over, at the end of the mouth, work will be begun to bring the plant to a further degree of modern excellence. The present fair buildings will all be brought together at one end of the spacious grounds. A half-mile track will be constructed in the infield and there will be a general changing in the location of the stables. With the property that has been acquired, the grounds will be enlarged materially, and when of the most pretentions of racing plants.

A high wind and rain which turned what promised to be a fair day for racing into a decidedly unleasant afternoon spotled a card that promised good sport at Laurel this afternoon.

Superintendent, F. Mannix's good two-year-old, ran one of the best races of his career in winning the five and a half furlongs sprint. He stood a drive from the beginning almost and, catching Undaunted in the last few yards, won going away.

The Talbott stable had particularly poor luck, Old Fred Mulholland, which Mr. Talbott bought at Havre de Grace, ran into the fence in the homestretch in the third race and was almost cut in two, Jockey Waldron, who was riding Fred Mulholland, which Mr. Talbott bought at Havre de Grace, ran into the fence in the homestretch in the third race and was almost cut in two, Jockey Waldron, who was riding Fred Mulholland was the favorite and, after trailing the others to the turn for home, began to close and appeared to go blind and dashed into the rail, the inferior of the Saraha was an appeared to go blind and dashed into the rail, th

he will handle for the president of the Saratoga Association next season. They are a particularly good band.

Rod McMahon arrived from Canada today. He will put up his slate during the present meeting.

Howard Lewis has purchased Compliment from James Butler for Juseph E. Widener. He will be converted into a junger.

After the running of the third race F. E. Brown took Chemulpo from J. W. Hedrick, when he bid up the mare from \$700 to \$1,100.

CREDITABLE RECORD OF A CANADIAN STABLE

The Canadian turfman, C. S. Campbell, was fortunate with a small stable in the racing of 1913 and has retired for the year with a satisfactory showing in the way of stable earnings. To his total of \$12.990 his useful filly, Lindesta, was the principal contributor, although not his best horse. That credit attaches to his four-year-old coit, Bwana Tumbo, which is really a good handicap racer, but a difficult horse to send to the post in condition to race to the full measure of his natural capacity because of leg infirmity. The Cesarion two-year-old, Corn Broom, raced well for him and is gifted with the speed characteristic of the progeny of his sire. The record of the stable was:

NOTES OF THE TURF.

Alfred V. has been gelded and turned out for the winter.

The body of the late J. J. Burke was interred in St. John's Cemetery, on Long Island.

W. H. Fizer is counting on buying three year-lings to take to Juarez with his older racers. R. J. Mackenzie has several yearlings in Califor-that will be developed for next season's racing. Abednego bowed a tendon recently and probably will be left in Kentucky when W. J. Weber takes his horses to Juarez.

W. G. Yanke has purchased Col. W. E. Applegate's interest in Round the World and has booked the mare to Uncle for 1914.

Ponkatasset, the property of E. Lutz, broke a g after getting loose from her box at Dufferin ark last week and was destroyed.

Park last week and was destroyed.

Repentant, which won the Harbor Hill Cup at Piping Rock Saturday, was presented to Miss Emily Randolph, of Philadelphpia, by Francis R. Hitcheock as a birthday gift.

Oscar Lewisohn, husband of Edna May, former comic opera star, has leased a residence at Newmarket, Eng., and bought a colt at Tattersall's sales there the past week for \$4.410.

W. J. Burckholder has purchased from P. J. Millet the chestnut two-year-old filly, Lady Bountiful, and has turned her out until next February at a farm near Newcastle, Ky. This filly is a half sister to the brilliant Cottontown.

The Latonia Jockey Club is the only racing organization in Kentucky which has never failed to hold an autumn meeting since the opening of that track in the spring of 1883. It has held spring and fall meetings each year ever since.

General Manager Hachmeister has erected a big board in the infield on which are displayed the prices the winning tickets pay. The board is eighteen feet long and seven feet high, and the figures written on it can easily be seen from any part of the track.

J. I. Smith, trainer for H. H. Hewitt, of New York, has several promising yearlings at the Lex-ington track. The Peter Pan—Coy Maid filly, with 115 pounds up, and the Cunard—Inspiration filly, have worked a quarter better than 23, Mr. Smith entered them for the Saratoga stakes which closed secondly.

recently.

James Griffin, if he succeeds in disposing of several old horses he now has in training before the Latonia meeting closes, will do no winter racing this season, but will busy himself in developing a number of promising two-year-olds that he will have under his care. His Illinois partner, James McCullough, has disposed of none of his yearlings this season and all of his band will be in Griffin's care. Some of these are already at Douglas Park and others will be shipped there early next month.

The fast four-year-old bay gelding Three Links, by Oddfellow—Fairy Dell, succumbed to pneumonia at Churchill Downs after T. P. Hayes, his owner, shipped the rest of his stable to Latonia last week. Three Link's racing record is as follows:

WILL OPEN INFORMATION BUREAU.

Charleston, S. C., October 20.—Owing to numerous inquiries from prospective visitors who intend coming to Charleston to attend the races, the Charleston Fair and Racing Association is planning to open an information bureau for the housing of the large crowd expected here this season. This bureau will be in charge of two experts in this line, who will index all inquiries and have tabulated a schedule of ail the hotels, boarding houses, furnished and unfurnished apartments and rooms to let. The Chamber of Commerce and the Real Estate Exchange have signified their willingness to cooperate with this department in every way. Charleston is noted for its mild and delightful climate, the temperature rarely falling below 50 degrees even in cold weather. Numerous artesian wells, which abound in this city, are noted for their medicinal properties. The amusements of Charleston are numerous. The fishing and hunting season lasts the whole winter long. That famous pleasure resort, the Isle of Palms, will keep open during the winter.

Various improvements and alterations are well under way at the track and will be finished by November 1, on which date the painters will commence their work of freshening up things. The grounds have been prepared for the County Fair, which will be held from November 17 to 22; inclusive.

The first horses to arrive are those of W. C. West-

which wan be lead took of the five.

The first horses to arrive are those of W. C. Westmoreland, who came from Richmond, Va., with Clothes Brush, Cuttyhunk and Skeets. A large number are expected to reach here early next month. The following minor officials have been appointed: Timer, W. W. Lyles; Patrol Judge, G. E. Hall: Veterinary, Dr. McCarthy, Charles Campau will have charge of the gates and of the ticket arrangements.

ments.
Entries for the stakes listed for decision during the seventy-eight days of racing at Palmetto Park, beginning December 1, are coming in generous batches from horsemen in all sections of the country who intend campaigning here this winter. Among those now at Latonia who have made liberal entries to the stakes and intend to send extensive representation to Charleston are Lew Marion, J. C. Cahn, T. J. Brown, F. B. Respess, J. T. West, Adair & Baker, A. H. Brandt, M. C. Moore, W. A. Kirwin, C. S. Wilson, L. Tauber, Grefer & Bender, J. S. Everman, J. W. Schorr, J. H. McCarren and William Walker.

BURLINGAME LEADS THE JOCKEYS.

The deadlock which has been existing among leaders in the American jockey list for the year was broken last week with the result that Burlingame now has a distinct, though not great, lead over Buxton and Groth for the year's honors. The riding of Kederis, who is now looming up as a dangerous contender for the championship, was a feature of the week's racing. By piloting eight winners at Churchill Downs he advanced to fourth place and is within striking distance of the leaders. The record of the thirty leaders from January 1 to and including the racing of Saturday last is as follows:

HAVRE DE GRACE STAND BURNED.

Baltimore, Md., October 20.—The grandstand and clubhouse of the Havre de Grace race track were destroyed by fire of unknown origin last night, entailing a loss estimated at between \$50,000 and \$75,000. The fire started in the grandstand about midnight. Fanned by a strong northwest wind the flames spread rapidly throughout the two story structure and the clubbouse soon was in flames. The Havre de Grace volunteer fire department made an attempt to reach the scene, but got stalled when about half way.

The fire was the second that has occurred at Havre de Grace this year and is believed to be the work of incendiaries.

BUYS FARM IN VIRGINIA.

Richmond, Va., October 20.—Negotiations which have been in progress for months for the sale of the late Charles F. Senff's plantation, known as Curls Neck Farm, on the James river, in Henrico County, Virginia, have reached the point where only the signing of the deeds remain to complete the purchase of the property by C. K. G. Billings, multimillionaire of Cleveland and New York.

It is said Mr. Billings will make the farm his permanent winter home and his coming to Virginia means that horse breeding and horse racing will receive new stimulus, because he will complete a mile track on the plantation and breed and train high-class racers. The transactions total \$550,000.

LATONIA MEETING OPENS

SURPRISINGLY LARGE NUMBER BRAVE AD-VERSE CONDITIONS TO PATRONIZE SPORT.

Samuel R. Meyer Wins Valuable Inaugural Handicap for Adair & Baker in Exceedingly Close Finish with Morristown.

Cincinnati, O., October 20.—More unfavorable weather could not be imagined than that which prevailed in this section today. Naturally, the attendance at the opening of Latonia's eighteendays' fall meeting was much less than it would have been under normal conditions. Considering the adverse conditions, a surprisingly large gathering braved the Inclement weather and visited the course. The betting was of large volume and well distributed on all the starters, accounting for liberal odds against the winners.

The Inaugural Handicap, with an original entry of sixteen, was reduced by withdrawals on account of the going to six starters and resulted in a thrilling finish between Samuel R. Meyer and Morristown. The former was awarded first money of \$2.480. Immediately following the display of the official placing the disgruntled backers of Morristown began a demonstration which lasted for some time. Morristown had been the leader for the entire trip, with Samuel R. Meyer following took matters rather coolly, centering his attention on the fruitless efforts of Kleburne, which was on the outside of him. Meanwhile, Samuel R. Meyer had saved a great deal of ground on the stretch turn and was responding in game fashion to Goose's urging. McCabe awoke to the danger when about fifty yards from the finish, but Morristown had begun to shorten his stride and could not be track. This, coupled with the deceptive angle at the finish, was responsible for the belief that Morristown was running on the outer portion of the track. This, coupled with the deceptive angle at the finish, was responsible for the belief that Morristown had won. All the placing judges, including the stewards, who were directly on a line with the before the finish and lost the race by a nose. The winner finished close to the inner rail, while Morristown was running on the outer portion of the finish, was responsible for the belief that Morristown had won. All the placing judges, including the stewards, who were directly on a line with the best he could do was t

addition to capturing the feature race, won the second race with Effendi, which outstayed Orperth in a hard drive.

The going was held to be exactly to James Dockery's liking in the opening dash, but Vreeland took his measure handily, after having shown the favorite the way for the entire trip. Cash on Delivery, an overwhelming choice, won the third race commandingly, with Maria C. in second place and Florence Roberts third.

The six-furlongs sprint that engaged some of the better class of two-year-olds, brought with it another thrilling finish. Brig's Brother winning by a nose from Anytime, with the latter a similar distance in advance of Waterbass. Hodge, the favorite, showed a poor performance and finished far back, Belloc also ran disappointingly. Cream and Manager Mack, the betting choices, had the closing dash between them for most of the way and landed at the finish in the order named, with L. H. Adair third.

General Manager John Hachmeister was greatly encouraged by the unexpectedly large attendance and lively speculation.

Milton Young, chairman of the Kentucky State Racing Commission, who will serve as steward 'o represent the racing commission at this meeting, has been ailing with rheumatism and had to resort today to the use of crutches.

Congressman Arthur B. Rouse made the trip from Washington, D. C., to be on hand for the opening.

The two-horse combination, comprising Vreeland and Effendi, yielded its backers \$42.90; Cash on Delivery, Brig's Brother and Cream, comprising the three-horse combination, paid \$89.55.

Dr. J. S. Tyree, whose horses are being handled here by J. J. McCafferty, came from his home in Washington, D. C., for the opening and to inspect his racers. Jockey Snyder, who will ride for the Tyree stable, has recovered fully from the injuries attending a fall in Canada and probably will be seen in the saddle tomorrow.

T. Hart Talbot, member of the Kentucky State Racing Commission, was among the spectators and will remain here for some time.

Kinzea Stone, well-known breeder, was a

of thoroughbred yearlings in the Latonia paddocks next week.

W. Northey, who is familiarizing himself with the inside workings of the mutuel system of betting, in anticipation of the system being installed at the Blue Bonnets track in Montreal, held a long conference today with John Hachmeister and secured plans and specifications of the Douglas Park parl-mutuel arrangement. The Douglas Park track is considered to be the best equipped of any of the Kentucky tracks in the matter of betting arrangements and nearly all the Canadian tracks contemplating the installation of the mutuel system of betting intend to pattern as closely as possible after the Douglas Park plans and methods.

Fred Auerbach, who will share with Santo Sotille the management of the Charleston track during the coming winter, will arrive here tomorrow to confer with Frank J. Bruen over minor details. The entry list to the twenty-three stakes offered by the track during its seventy-eight days of racing is growing steadily and includes some of the best racers now in training.

CANADIAN REMOUNTS FOR ENGLAND.

London, Eng., October 20.—The remount department of the war office has reported to the army council in favor of giving a contract for cavalry and artillery horses to Canada, thus securing part of the produce of the Canadan National Bureau of Breeding. It is pointed out that it is in the interests of the army and the empire to encourage the work being done by the bureau.

As the army council has already taken a favor-

the work being done by the bureau.

As the army council has already taken a favorable view of the proposal it is a foregone conclusion that definite arrangements will be completed in a few days. The first lot of bureau remounts are required at once and other shipments will be ordered for 1914, 1915 and 1916. It is the first time that Engiand has purchased war horses from Canada in time of peace and it presages a great business in the near future. Several European powers are also after these horses, but the policy is to supply the empire first.

An emergency plan is now being discussed whereby the National Bureau and the National Live Stock Exchange will endeavor to get optious on ten thousand horses to be secured within twenty days of the time ordered, should they be needed for war the fixed great grows.

the time ordered, should they be needed for war purposes.

The Greek government took a shipload of army horses out of Ireland this week. Some of them were taken from the plough, German buyers have been busy in southwest France and have secured 18,000 horses. Belgian buyers are in Ireland and France after Temounts. Altogether these seem to be piping times in the war horse line and Canadians here are glad-flaf Canada has come to the front at this juncture with a big comprehensive plan which will help to solve a knotty problem.

J. B. HAGGIN'S WEANLINGS.

Lexington, Ky., October 20.—At James B. Haggin's great Elmendorf Farm near this city there have just been weaned from their dams eighteen thoroughbred foals of this year. There are seven colts and eleven fillies and they represent the smallest crop of their breed that Hr. Haggin has owned in many, many years, George Miller, who is in charge of the thoroughbreds at Elmendorf, and who came to Kentucky with the Haggin horses when the transfer was made from the famous Rancho del Paso in California, says he does not recall that there were ever so few young thoroughbreds owned by Mr. Haggin since he has been a breeder of running horses. But they are a good-looking lot and the list is as follows:

Chestnut colt by Watercress—Pearl V., by Salvator.

Brown colt by Waterboy—Enterprize, by Bath-

Black colt by Waterboy—Colonial, by Trenton.

Ba- colt by Galveston—Lychee Nut, by Sir Modred

red.
Bay colt by Star Ruby—Sobriquet, by Toddington
Brown filly by Watercress—Ogolala, by Isidor.
Bay filly by Waterboy—Hamburg Belle, by Ham org.

Bay filly by Waterboy—Siloquoy, by Midlothian.

Brown filly by Galveston—Phida, by Onondaga.

cress.

Bay filly by Goldfinch—Clara J., by Water-ress.
Bay filly by Star Ruby—Muriel, by Watercress.
Bay filly by Star Ruby—Rossanna, by Sir Modred,
Brown filly by Hessian—Midrica, by Midlothian.
Brown filly by Toddington—Pompadoura, by Emperor of Norfolk.
Bay filly by Galveston—Sweet Lavender, by Goldfinch.

finch.

The star of the collection probably is the Pearl V, colt. He has a stripe down the face and two white legs, and leoks much like Salvator did. The largest and grandest looking of the fillies is the daughter of Ogolala. The Colonial colt is a half-brother to Hessian and is the image of Waterboy, his sire, now dead. The Enterprise colt, a half-brother to Cressbrook, a winner in England, is a big colt. Star's colt is also a big one. The Yvon-etic colt is a fair one. The daughter of Hamburg Belle is not as large as the one out of Ogolala, but she is a grand looking filly. The horses at Elmendorf are all in good heath and condition.

ACTION AGAINST MINERAL SPRINGS TRACK.

Laporte, Ind., October 20.—An action against the Mineral Springs Racing Association will be tried this week in the Jasser County Circuit Court. Peter Crumpacker and A. F. Knotts are made the principal defendants and the suit is for judgment for \$27,000 to cover the cast of material used in the construction of the course. This action is to be followed early in November by a suit which will be brought by the association to determine the status of racing in Indiana under the Sellers act. It is said the available assets of the racing association will not exceed \$12,000, while the liabilities will reach fully \$40,000.

Winner—B. f, by Woolsthorpe—Possession (trained by W. H. Karrick).
Went to post at 3:55. At post 3 minutes. Start good and slow. Won cantering; second and third driving. RECESSION was off slowly, but moved up on the inside with a rush after entering the homestretch and drew away into a long lead in the last eighth. HUDA'S BROTHER ran forwardly throughout, but tired badly in the homestretch and just lasted long enough to outstay FOOL O'FORTUNE. The latter closed a gap in the last quarter and finished with a rush. RINGMARSHAL ran well to the homestretch and tired. J. B. MAYLOW quit after setting the pace to the stretch.

Scratched—10498 Ha'Penny, 110; 12131°Water Lad, 110; 12131 Sandbar, 110; 12131 Tandstickor, 107.

SIXTH RACE—1 Mile and 70 Yards. (99201—1:43%—4—106.) Purse \$500. 3-0lds and upward. Selling. Net value to winner \$400; second, \$70; third, \$30. 12211AWt PPSt 1/4 1/2 3/4 Str Fin Jockeys

     The figures under the heading "Rec." in the entries below show the best time of each borse at the distance, since January I. 1911, no matter where it finished. In cases where record was made on other than a fast or good track, abbreviations show track conditions.
```

The small figure under "Str." shows the distance the horse was ahead of that next in the race. The small figure under "Fin."—unless the horse won—shows the number of lengths the horse was behind the winner. Weight to be carried appears at top of column of weights in previous races,
